🐟 PROVISION & BOND STORES 🐟

Golden Harvest, your trusted partner in the supply of provisions, caters to the offshore industry and all types of ships. Our commitment to excellence ensures that we deliver supplies to vessels and offshore locations while upholding the highest standards of the modern food supply chain and international food safety regulations. Our ISO 22000:2005 certificate attests to our unparalleled expertise in this field.

At Golden Harvest, we provide a comprehensive selection of fresh, frozen, and dry provisions. Our daily procurement from the market includes fruits, vegetables, and dairy products, ensuring the highest quality for our customers.

PROVISION & BOND STORES

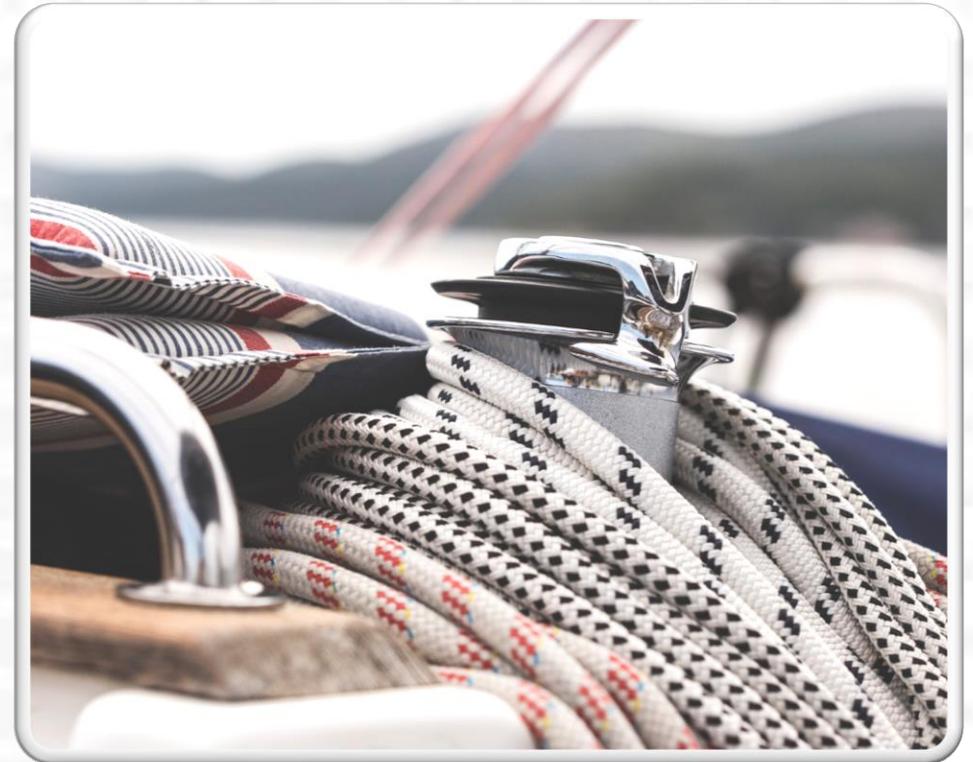

Nautical Charts and Books: Your Reliable Navigation Resource

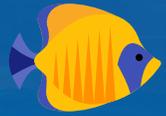

At Golden Harvest, we provide comprehensive coverage of nautical charts and publications, ensuring the safe navigation of your vessels. Our extensive collection encompasses shipping routes, enabling you to navigate with confidence and precision.

Print-On-Demand Service: Up-to-Date and Accurate Charts

With our Print-On-Demand service, we offer the latest paper charts sourced directly from the ADMIRALTY cartography database. This ensures that you receive completely up-to-date charts that adhere to the highest standards of accuracy. Our efficient printing process enables us to deliver these charts promptly, meeting your navigation needs.

By choosing our nautical charts and books, you can rely on Golden Harvest to provide the essential resources necessary for safe and successful maritime navigation.

LUB OIL AND FRESH WATER

Providing Reliable Fuel Oil, Lub Oil, and Fresh Water Services

At Golden Harvest, we specialize in supplying fuel oil, lub oil, and fresh water to support optimal vessel performance and operations. With a commitment to quality, we offer carefully chosen products that meet the highest industry standards, ensuring reliable and efficient delivery.

Our Services Include:

- 1. Fuel Oil Supply:** We provide high-quality fuel oil to meet the specific requirements of your vessels. Our products are sourced from trusted suppliers and delivered on time to keep your operations running smoothly.
- 2. Lub Oil Supply:** Our lub oil services ensure that your vessels have the necessary lubricants for smooth and reliable engine performance. We offer a selection of lub oil products that are carefully chosen for their quality and compatibility with different engine types.

LOGISTICS SERVICES

Golden Harvest Logistics: Your Trusted Partner for Seamless Supply Chain Solutions

Golden Harvest Logistics offers expert logistics services in Egypt, facilitating smooth cargo import and export operations with local and global connections. Our extensive fleet and reliable transport solutions ensure efficient movement of goods, supported by services including customs clearance, freight forwarding, spare parts handling, and comprehensive warehousing and logistics management. With our commitment to excellence, we optimize your supply chain for success.

SHIPPING AGENCY

As a highly experienced Suez Canal transit agency, we specialize in navigating vessels through this vital waterway with expertise and efficiency. Our team is well-versed in the Suez Canal Rules and stays updated with the latest circular updates to ensure smooth passage for our clients.

Our range of services includes:

Cash to Master: We facilitate secure and efficient cash transfers to vessel masters transiting the Suez Canal, ensuring seamless financial transactions.

Medical Assistance: Our agency is equipped to arrange prompt medical assistance for crew members in need, prioritizing their health and well-being throughout the transit.

Crew Changes: We handle all aspects of crew changes, from seamless embarkation and disembarkation to safe hotel bookings. Additionally, we facilitate repatriation arrangements to ensure crew members can join vessels at any Egyptian port safely and economically.

ENVIRONMENTAL SOLUTIONS

Supporting Compliance and Environmental Safety Standards for Owner/Operators

At Golden Harvest, our dedicated service aims to assist Owner/Operators' Technical Departments in maintaining their vessels in compliance with environmental and safety standards. We recognize the importance of upholding these regulations to protect the environment and ensure the safety of maritime operations.

Comprehensive Environmental Solutions Offered:

Sludge removal, Garbage Disposal, Bilge Water, and Slops Disposal

Tank cleaning

Oil Spill management and response

Our experienced team is equipped to handle various environmental challenges faced by vessels. We provide efficient and responsible solutions for the removal and disposal of sludge, garbage, bilge water, slops, and the cleaning of tanks. Additionally, we offer specialized expertise in managing and responding to oil spill incidents.

REPAIR WORKS

Golden Harvest: Providing the Best Solutions in Critical Situations

When it comes to maintenance operations and repair works, Golden Harvest understands their crucial importance. We share the responsibility with our clients by delivering the right quality and specifications required to address their specific needs.

Expert Consultations and Support for Maritime Business

Our qualified and experienced staff is readily available to provide customers with consultations and explanations related to the maritime business, whether it pertains to the Suez Canal area or any Egyptian port. We aim to ensure that our clients have a clear understanding of the maritime industry and can make informed decisions.

SAFETY & RESCUE EQUIPMENTS

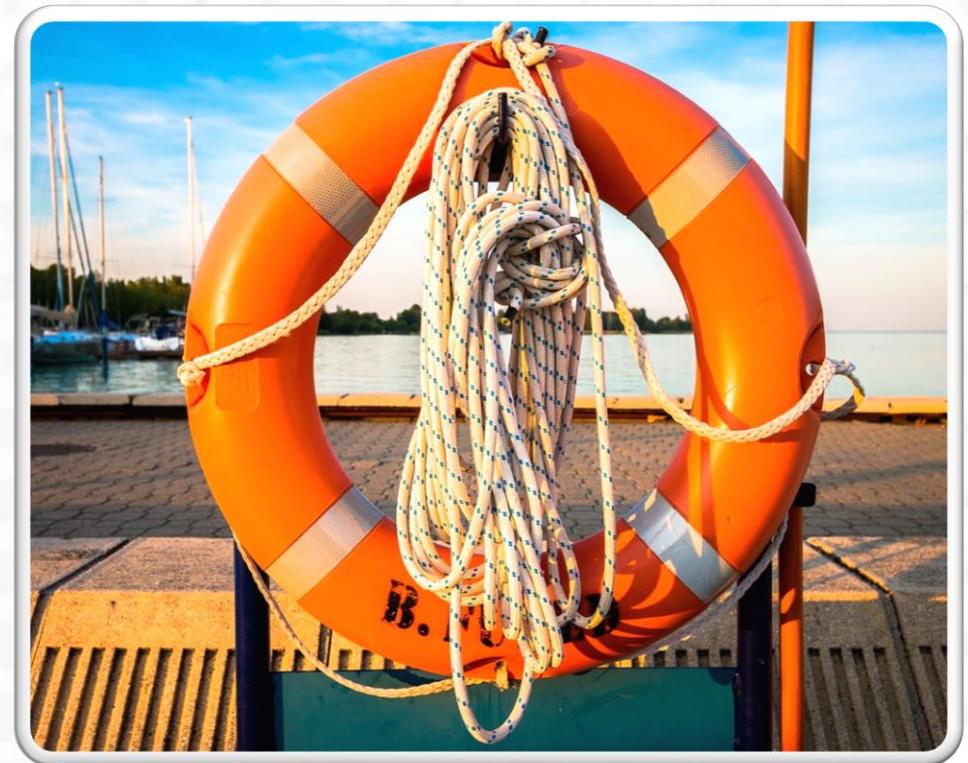

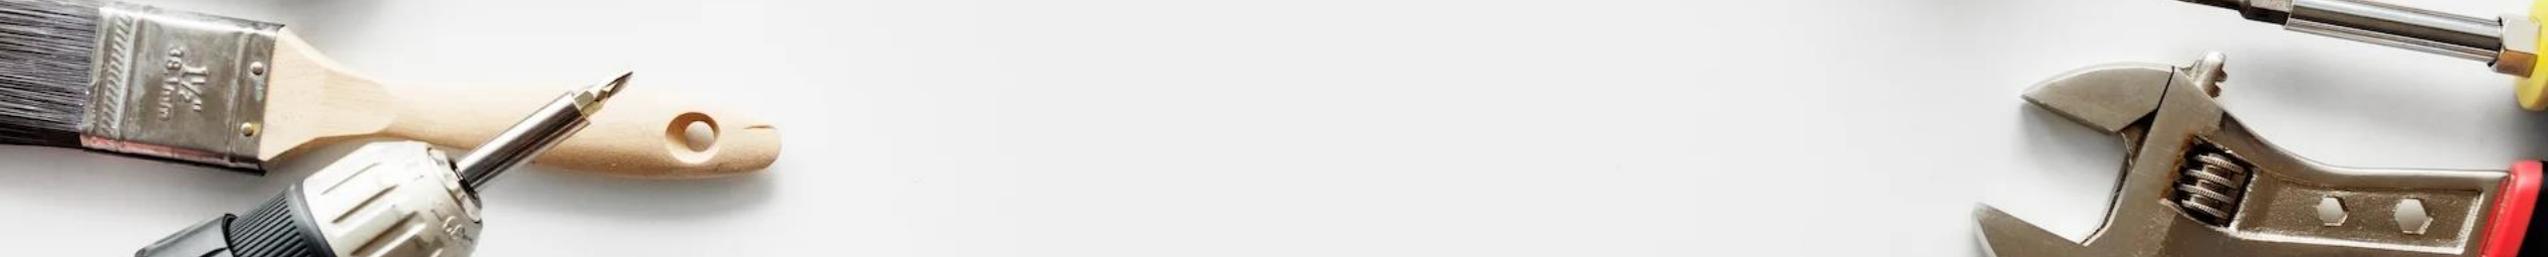

We Provide Supply, Installation, Testing, Annual Services, and Certification for Safety Equipment with Maker and Class Society Certificates

At Golden Harvest, we specialize in the supply, installation, testing, annual servicing, and certification of various marine personal safety and rescue equipment. Our services cover a wide range of essential safety gear, including life rafts, lifeboats, rescue boats, lifebuoys, life jackets, immersion suits, breathing apparatus, IMO signs, and fire extinguishers.

Our dedicated team ensures that all safety equipment is meticulously inspected and tested to meet the highest industry standards. We collaborate with reputable makers and class societies to obtain the necessary certificates, providing you with peace of mind regarding the quality and reliability of the equipment.

When it comes to fire safety, we offer a comprehensive selection of fire extinguishers, including foam, dry chemicals, and CO2 types. These extinguishers are essential for combating different types of fires and ensuring the safety of your vessel and crew.
